Key Highlights:

Leadership transition:

- Neville (Ignatius) Noronha stepped down as MD & CEO after 21 years, handing over to Anshul Asawa, who now leads the company and set out his early priorities in his first shareholder letter.

Milestone year for scale:

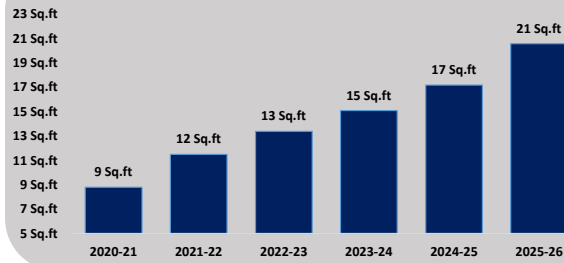

- DMart crossed 500 stores (opening its 500th at Avadi, Chennai, on the final day of the fiscal year) after adding 85 new stores in FY 2025-26 — retail business area grew to 20.6 million sq. ft., up from 17.2 million the year before.

Growth strategy going forward:

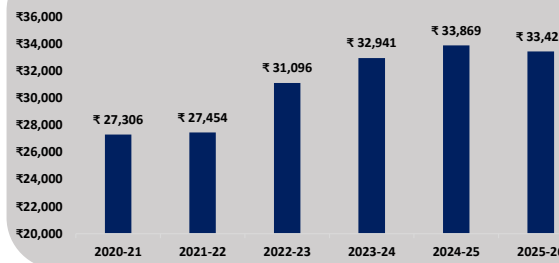

- Doubling down on the EDLC/EDLP (Everyday Low Cost/Everyday Low Price) model as the core competitive moat, with management flagging that losing this pricing edge is one of the company's biggest listed risks.
- Plans to simplify and automate execution processes to improve efficiency and service quality.
